

Business Litigation

- **Fiduciary Duty** – MSLLP has extensive experience representing clients, as both plaintiffs and defendants, in matters involving allegations of breach of fiduciary duties. From failed partnerships to unscrupulous LLC members and venture capitalists, MSLLP has successfully defended and prosecuted multiple fiduciary duty cases.
- **Contract** – MSLLP has successfully litigated numerous software-licensing matters in the Software as a Service (SaaS) industry. In addition, a staple of MSLLP's practice relates to litigating contract disputes on behalf of clients.

Miscellaneous

- **Third Party Witness eDiscovery and Litigation Support Services** – Partnering with Precision Discovery, MSLLP provides comprehensive litigation and eDiscovery support services. Perhaps the largest case in the history of the world is the AMD v. Intel matter currently pending in the District of Delaware. MSLLP has represented a third party witness in that matter, providing comprehensive eDiscovery and document review services for more than 2.0 million pages of documents (200 gigabytes) at a fraction of the cost.
- **Third Party Witness Representation** – MSLLP represents multiple companies that receive subpoenas for documents and witness testimony, where such companies are not parties to the underlying litigation. MSLLP defends such third party witness depositions in a cost-effective manner.
- **Individual Defendant Representation** – In some cases, potential conflicts arise where Company Executives are sued in their individual capacity along with the corporation. MSLLP provides aggressive representation for such individuals.
- **Sarbanes-Oxley Investigations** – MSLLP has provided small public companies with investigative services relating to allegations of inventory manipulation and quarterly profit and loss manipulation in violation of the Securities laws. MSLLP partners with experienced forensic accountants with whom MSLLP has a strategic relationship to gather the facts and examine the books in order to provide the client (the Board's Audit Committee) with a comprehensive Report of Investigation.
